

Z-Perform 1000D 80 Receipt

Receipt Paper

Direct Thermal

Description

An uncoated direct thermal 80 micron white receipt paper, which produces high contrast black images with Zebra desktop and mobile printers. Z-Perform 1000D 80 Receipt has good resistance to image fading. It is not recommended for applications involving exposure to moisture and solvents or long term exposure to heat UV light sources. When stored correctly*, the printed image can be expected to remain legible for up to 5 years.

Suggested Applications

- Receipts for payments and queue busting in Retail
- Escorted shopping in Retail
- Delivery receipts for mobile applications
- Mobile invoice printing
- Tickets
- Coupons
